## WINE MENU

Wine is in the DNA of SoFi Stadium. The connection is familial and foundational, directly connected to the vision behind SoFi Stadium which provided the impetus to focus the wine program on the groundbreaking wines of Santa Barbara County. At just one hundred and thirty miles from the stadium, Santa Barbara County is home to some of the best winemakers and vineyards in the world and they comprise over sixty percent of our wine list. We trust you'll share in our celebration of this important and exciting wine region just north of the stadium. This wine list is as singular as the stadium and is curated to match our food program in both quality and diversity.

## WINE NOTES

We wanted to build a program that was as unique to LA as the project itself, so we focused primarily on Santa Barbara County and its six American Viticultural Areas (AVA). The breadth of grape varietals being made in Santa Barbara County is reflected in the staggering twenty-one varietals that are represented on this list. Overall, ninety percent of the wines on this list are from California.

The list is a balance between the original pioneers of Santa Barbara County, the second wave of winemakers, the stewardship of those that have come after, and the expression of winemaking styles of the next generation of Santa Barbara County winemakers. We have included the fabled, foundational, vineyards of the region while also highlighting the newer standout vineyards of Santa Barbara County: Sanford & Benedict, Bien Nacido, La Encantada, La Rinconada, Bentrack, and Radian. Throughout the list, we have tried to share what we think are some of the best representations of the wines from each AVA while acknowledging the tireless work and determination it took from so many to have the rich variety and quality in the region. We felt it had to be the focus.

As you look through the list, you will notice that the wines in each category are organized in order by the distance of the vineyard to SoFi Stadium.

The diversity and quality of the Pinot Noir and Chardonnay coming from the Sta. Rita Hills AVA have made it recognized all over the world; with its unique transverse of the mountain range and the coastal breezes coming from the Pacific Ocean, the growing conditions allow for some of the finest expressions of Pinot Noir and Chardonnay. Sanford and Benedict planted their eponymous, and now famous, vineyard in 1971 which set in motion what would become the Sta. Rita Hills AVA thirty years later. A new generation of stewardship in Sta. Rita Hills is being led by Matt Dees, the winemaker at Hilt Estate, at their iconic Bentrack and Radian Vineyards. Next to Hilt Estate sits a small, five-acre vineyard, that is farmed by Peter Hunken and Amy Christine, where the pair make the Joy Fantastic Chardonnay; Amy is one of only thirteen female Masters of Wine.

The Happy Canyon AVA benefits from its more inland condition and its terraced slopes make excellent growing conditions for Cabernet Sauvignon, Cabernet Franc, and Malbec. Tyler, led by Justin Willet, earned its renown by making Pinot Noir and Chardonnay, but he wanted to make a Cabernet from Happy Canyon. Justin was advised against it, but, happily, he did it anyway; the resulting wine he made as an homage to his father shows just how exceptional a Cabernet Sauvignon can come from this easternmost AVA.

The northernmost AVA, Santa Maria Valley, was the first AVA of the region. While known for exceptional Chardonnay and Pinot Noir, we also included some of the oldest vines in the region, planted in 1966, with the Chenin Blanc from Foxen. The Pinot Gris from Lumen is made by the first female winemaker in Santa Barbara County, Lane Tanner, who started making wines in the Santa Maria Valley in 1981. We also included two chardonnays from one of the most famous vineyards in the AVA, the Bien Nacido Vineyard.

The smallest AVA of SBC is Ballard Canyon. Located in a canyon between Buellton and Los Olivos, Ballard Canyon makes some of the best Syrahs in the world. The wines of Jonata show the uniqueness of the soil and the excellence in winemaking, but also the dogged determination to try new and revolutionary approaches to growing and vinification. Jonata's vineyard blend "Todos" is as unique a wine as is its composition. A wine that is made from all of the grape varietals grown on the estate vineyard—ten, including three white varietals—shows the amazing breadth of Ballard Canyon and epitomizes the intense varietal versatility of Santa Barbara County. Jonata is the standard-bearer of quality winemaking for the region.

The Santa Ynez Valley AVA is the largest AVA and is the overlying AVA for the Sta. Rita Hills, Ballard Canyon, Los Olivos District, and Happy Canyon AVAs. Andrew Murray calls himself a member of the second wave of wine makers that came after the pioneers that planted the first vines over forty years ago, but Andrew has been making Rhône style wines for the past 36 years in the Santa Ynez Valley. Rhône varietals like Grenache, Syrah, and Mourvèdre grow well in the warmer inland areas and his dedication to the region are reflected in the quality of the wines he is making.

The newest AVA, the Los Olivos District, is situated mostly between Ballard Canyon and Happy Canyon. While it is the newest AVA, the Beckmen family has been making wine in the region since 1994. Their Estate Cabernet Sauvignon is a perfect example of the quality of Bordeaux style grapes being grown in the AVA.

Santa Barbara County wines could easily fill a list much larger than this, but we wanted to include the larger California region to layer in some of the stalwarts like Paul Hobbs, Tor Kenward, David Arthur, Peter Michael, Turley, Kistler, and Kosta Browne as well as some new esoteric winemakers.

Our reserve list spans some of the most iconic names in Old World wine to the cult standouts of California: Screaming Eagle, Harlan, Promontory, and Bond. We offer two different vineyard designate Cabernet Sauvignons from one of the most prized vineyards in wine: Beckstoffer To Kalon.

The foundation of the program is centered around the Paring wines. Located just one hundred and twenty-five miles north of Los Angeles, Paring sets the standard for what approachable and quality driven wines should be.

We wanted to redefine, and refocus, what a wine program could be and introduce a larger audience to the nearby, groundbreaking, wines coming from just north of us in Santa Barbara County. We hope you have as much fun discovering the wines, winemakers, and stewards of this amazing wine growing region as we have had in building this program.
